

For renewal dates between 1 April 2018 and 31 March 2019

Dear Policyholder

**IMPORTANT INFORMATION IN RELATION TO YOUR POLICY**

We review our contents policy that we offer to you on an annual basis to ensure we continue to provide you with wide cover and an excellent service at very competitive prices.

Following our most recent review we have decided to change the insurer who provides the cover. From the renewal date shown on the enclosed schedule and renewal notice your insurer will be Ecclesiastical.

Ecclesiastical were established 130 years ago and are a commercial business, but unlike their peers they are owned by a charity and have a purely charitable purpose, which is to contribute to the greater good of society by managing a successful, ethically-run portfolio of business. The ethical nature of the Ecclesiastical business aligns very closely with how we run our business and we feel Ecclesiastical is a very good choice as an insurer for your contents insurance policy.

There are additional benefits to you following this change of insurer. Ecclesiastical have provided a wider breadth of cover in several areas of the policy. We are attaching a policy wording showing the cover that is being provided to you from your forthcoming renewal date.

We would recommend you review this document and if you have any queries or wish to ask any questions please do feel free to contact us using the contact information at the foot of this letter or that shown on your renewal notice which is enclosed. .

Lynn French and Jayne Lawford will continue to look after you in relation to all matters connected to your policy cover or claims.

Best wishes
