Summary of cover

This policy has been specially designed by FirstPort Insurance Services Limited in association with Ecclesiastical Insurance Office plc who are the insurer.

The Insurance Product Information Document (IPID) entitled FirstPort Home Contents Insurance, which is enclosed, provides a summary of the policy but does not contain the full terms and conditions of this insurance. You can request a copy of the full policy wording from FirstPort Insurance Services Limited.

The IPID does not form part of the contract of insurance.

We do not offer advice on the suitability of this product and you should make sure it meets your needs before you take out the policy.

We review the cover every year to make sure it still offers a wide range of cover at a price that is competitive.

The cost of cover

There are four levels of cover you can choose from. These are detailed on pages 2 and 3 of this brochure. Details and prices are given on the enclosed proposal form. Higher levels of cover are available on request.

We do not charge any fees.

How much cover you need

It is worthwhile spending a few minutes walking around your home, carefully assessing your possessions and remembering to include items that would be expensive to replace, such as your furniture, carpets, crockery and cutlery. Remember to insure them for the cost of replacement at today's prices. You may be surprised at the total!

Choose the cover that suits you

Our four tier insurance gives you the flexibility to choose the cover that suits you. Our Bronze, Silver, Gold and Platinum tiers offer different levels of cover for different things. Just pick the tier that best suits you and your lifestyle. And don't worry about the excess, it is only £50 per claim no matter what cover you pick.

The Insurance Product Information Document (IPID) sets out what is and isn't insured under the policy. It also points out the key areas where there is no cover under the policy. The full terms and conditions are given in the policy document.

If you have any questions, our contact details are shown on the back page of this brochure.

Statement of needs

This policy would normally be suitable for a person who needs home contents insurance:

- with a level of cover that they choose themselves; **and**
- that provides full accidental damage cover on their home contents, cover on personal possessions and valuables worldwide, and a range of optional covers as set out in the policy document.

Your duty to provide information

We need to ask you for information to help us assess the risk of a claim occurring during the lifetime of your policy. You must answer all questions honestly and reasonably so we can offer terms that meet your needs.

If you do not give us any of the information we ask for, or you give us false, exaggerated, misleading or incomplete information, whether deliberately or accidentally, your policy may not protect you. You may have all or part of a claim refused and your policy may be cancelled. You may then find it difficult to arrange alternative cover. Insurers may also keep your premium if you have deliberately and recklessly not disclosed information.

The service we will provide

FirstPort Insurance Services Limited are an insurance intermediary and place insurance on your behalf.

We will not give you advice on policies and you should make your own decision about how suitable the products we offer are. As part of our service we will help you with any claim you need to make and tell you what your responsibilities are when making a claim. If we have been authorised to settle claims on the insurer's behalf, we will act as their agent.

What you will pay for our services

We usually receive a commission from Ecclesiastical, as the insurer. This doesn't effect the premium you pay.

Language used

We will provide all communications in English.

Information on how we treat payments you make to us

Under the terms of our agreements with Ecclesiastical Insurance Office plc, we normally receive premiums you pay to us as their agent. We hold the premiums in an insurer non statutory trust account until we pay Ecclesiastical. We do not pay any interest on premiums we hold in the insurer account.

Please note: your policy cover will end if we do not receive the payment for any reason (for example, your cheque bounces or the card payment is declined).

Privacy Policy

A full version of our privacy policy can be viewed at [firstportinsurance.co.uk/privacy-and-cookies](https://www.firstportinsurance.co.uk/privacy-and-cookies) or a copy can be sent on request, our contact details are on the back page.
